DVD CURS

2007

Curse of the golden flower [videorecording] / Beijing New Picture Film Co.; EDKO Film Ltd.; Elite Group Enterprises; Film Partner International.

China, Later Tang Dynasty, 10th Century. On the eve of the Chong Yang Festival, golden flowers fill the Imperial Palace. The Emperor returns unexpectedly with his second son, Prince Jai. His pretext is to celebrate the holiday with his family, but given the chilled relations between the Emperor and the ailing Empress, this seems disingenuous. For many years, the Empress and Crown Prince Wan, her stepson, have had an illicit liaison. Feeling trapped, Prince Wan dreams of escaping the palace with his secret love Chan, the Imperial Doctor's daughter. Meanwhile, faithful son Prince Jai, grows worried over the Empress's health and her obsession with golden chrysanthemums. The Emperor harbors equally clandestine plans and the Imperial Doctor is the only one privy to his machinations. When the Emperor senses a looming threat, he relocates the doctor's family from the Palace to a remote area. They are attacked by mysterious assassins and Chan and her mother are forced back to the palace. Their return sets off a tumultuous sequence of dark surprises. Amid the glamour and grandeur of the festival, ugly secrets are revealed. As the Imperial Family continues its elaborate charade in a palatial setting, thousands of golden armored warriors charge the palace.

Chandor.
 Who cares about the suffering--existential, financial, or other--of those who blindly mismanaged our monies into this ever-expanding, nay, verily bottomless pit of debt? No one, but this film may help viewers understand A) the birth of current financial woes, and B) what it might have been like, in those first few hours within the confines of an early investment trading firm casualty. Fueled by a mass layoff, a thumb drive, and a rocket-scientist-cum-analyst who really understands the numbers, the last night of good times on Wall Street unfolds as rung by rung, up the executive ladder, travels news that is -- apocalyptic. For viewers who still have no idea of how 2008's meltdown happened, this film is one fiction that will make it ever so much more real.
