- Form teams of 2-4 and register online. Individuals can also participate as a team.
- Read the books in the way that works best for your team: everyone reads every book or split the books up among the team.
- If you have questions you would like to see during one of the rounds, send them over! That makes an easy answer for your team!
- Books will be split up into rounds. Write the answers out and scores will be totaled at the end of each round.
